

TechMart Electronics — Limited Hardware Warranty & TechMart Care+

Official Corporate Policy & Reference Documentation | Doc ID: TM-WARR-2026

1. Standard One-Year Limited Manufacturer Warranty

- TechMart Electronics warrants all brand-new hardware products against defects in materials and workmanship under normal operational use for a period of ONE (1) YEAR from the original retail purchase date.
- **Scope of Coverage:** Covers internal motherboard failure, defective Wi-Fi/Bluetooth chips, factory display defects, power supply failure, and manufacturing defects.
 - **Remedy:** At TechMart's sole discretion, we will either (a) repair the product using new or refurbished OEM parts, (b) replace the product with an identical or functionally equivalent model, or (c) refund the original purchase price.

2. What is NOT Covered Under Standard Warranty (Exclusions)

- Cosmetic damage including scratches, dents, cracked plastics, or broken ports caused by accidental drops.
- Liquid damage or moisture ingress exceeding the product's certified IP rating.
- Damage resulting from unauthorized repair, disassembly, third-party software rooting, or electrical power surges.
- Consumable parts such as standard batteries, unless failure is attributable to manufacturing defect.
- Products purchased from unauthorized third-party resellers or auction platforms.

3. TechMart Care+ Extended Protection Plan (Optional 2-Year Plan)

Customers can purchase TechMart Care+ within 30 days of hardware purchase for extended protection.
