

TechMart Electronics — Frequently Asked Questions (FAQ)

Official Corporate Policy & Reference Documentation | Doc ID: TM-FAQ-2026-V1

1. General & Account Management

Welcome to TechMart Electronics. Below are the most common inquiries regarding your account, online orders, and support access.

- How do I reset my password? Navigate to the TechMart login screen, click 'Forgot Password', and enter your registered email. A 6-digit verification code will be sent immediately.
- Can I change my account email? Yes, go to Account Settings > Security > Update Email Address. Email changes require re-authentication.
- What are TechMart customer support hours? Our Multi-Agent AI system is active 24/7/365. Human specialist escalation is available Monday through Friday, 8:00 AM – 8:00 PM EST.
- How do I track my active order? Once your order is processed, a tracking number from FedEx, UPS, or DHL is emailed to you and accessible under My Orders.

2. Payments, Billing & Subscriptions

- What payment methods does TechMart accept? We accept Visa, MasterCard, American Express, PayPal, Apple Pay, Google Pay, and TechMart Store Credit.
- When am I charged for backordered items? You are only charged when your item enters the fulfillment and shipping stage.
- How does the SmartHub Pro Cloud subscription work? The cloud subscription offers unlimited 60-day camera backup and AI scene recognition at \$9.99/month or \$99/year.
- Can I pause my subscription? Yes, subscriptions can be paused for up to 90 days from the Billing Portal.

3. Hardware & Smart Device Troubleshooting

- What should I do if my SmartHub Pro loses Wi-Fi connection? Ensure your router operates on 2.4 GHz or 5 GHz. Press and hold the Reset button on the rear for 5 seconds until the LED pulses amber.
- Is the SoundWave 500 speaker waterproof? The SoundWave 500 carries an IPX7 water resistance rating, tolerating submersion up to 1 meter for 30 minutes.
- How many devices can pair simultaneously with VisionStream 4K? The VisionStream 4K supports up to 8 Bluetooth remotes and audio output channels simultaneously.
- Where do I download device firmware updates? Firmware updates are delivered automatically Over-The-Air (OTA) when connected to Wi-Fi.

4. Returns, Exchanges & Warranty Quick Summary

- What is the standard return window? Items purchased directly from TechMart can be returned within 30 days of delivery in original condition.

- Are shipping fees refundable? Standard shipping fees are non-refundable unless the return is due to an error by TechMart or a defective product.
- How do I file a warranty claim? Submit your serial number and proof of purchase via the TechMart Support Assistant or at support.techmart.com.
