

TechMart Electronics — Product Specifications & Technical Catalog

Official Corporate Policy & Reference Documentation | Doc ID: TM-PROD-SPEC-2026

1. TechMart SmartHub Pro (IoT Automation Gateway)

The central brain for modern smart homes. Manages Zigbee 3.0, Z-Wave Plus, Thread, Matter, and dual-band Wi-Fi 6 devices with sub-10ms local automation execution.

- Processor: Quad-Core ARM Cortex-A55 @ 2.0 GHz, 2GB LPDDR4 RAM, 16GB eMMC storage.
- Connectivity: Wi-Fi 6 (802.11ax), Bluetooth 5.3 LE, Thread / Matter border router, Gigabit Ethernet.
- Audio/Display: 3.5-inch OLED status display, built-in dual omnidirectional far-field microphones.
- Power: 12V / 2A DC adapter with optional internal 2600mAh battery backup (up to 4 hours runtime).
- Dimensions & Weight: 120mm x 120mm x 35mm, 320 grams.

2. TechMart SoundWave 500 (Wireless Hi-Res Smart Speaker)

Studio-grade acoustic fidelity engineered with dual custom neodymium woofers and high-efficiency silk dome tweeters.

- Acoustic Output: 60W Total RMS output (80W Peak), Frequency Response: 42 Hz – 22 kHz.
- Supported Codecs: LDAC, aptX HD, AAC, SBC, Apple AirPlay 2, Spotify Connect, and TIDAL Connect.
- Battery & Ingress: 5200mAh Li-ion battery (up to 14 hours playback @ 60% volume), IPX7 waterproof.
- Microphones: 4-mic beamforming array with noise cancellation for crystal clear voice commands.

3. TechMart VisionStream 4K (Cinematic HDR Media Hub)

Next-generation 4K HDR streaming device powered by TechMart OS with AV1 hardware decoding and Dolby Atmos passthrough.

- Video Support: 4K UHD @ 60fps, Dolby Vision, HDR10+, HLG, AV1, VP9 Profile 2.
- Audio Passthrough: Dolby Atmos, DTS:X, 7.1 TrueHD surround sound over HDMI 2.1 eARC.
- Memory & Storage: 4GB RAM, 32GB High-Speed Storage for games and offline streaming apps.
- Ports: HDMI 2.1, USB 3.0 Type-A (for external hard drives), USB-C Power, Optical SPDIF.
